By application filed October 31, 1988, Dynamic Concepts, Inc. (applicant or DCI), seeks authorization to conduct charter operations pursuant to WMATC Special Certificate of Public Convenience and Necessity No. 1 under a contract with the U.S. Department of Commerce, National Oceanic and Atmospheric Administration (NOAA) transporting government employees and persons traveling on official business with NOAA, together with mail, express, and baggage in the same vehicles as passengers, between points in the Metropolitan District. */

Order No. 3248, served November 3, 1988, generally described the evidence submitted with the application, and that order is incorporated by reference herein. The Commission required publication of notice, the filing of an affidavit of publication, and the filing of additional materials. Applicant complied with these requirements, and no protests to the application were received by the Commission within the time set therefor.

The issue of whether the public convenience and necessity requires such service has been determined in Case No. MP-79-04. See Order No. 2004, served June 20, 1979.

Inasmuch as the contract is for a fixed term of at least 181 days and provides for the transportation of NOAA employees and persons traveling on official business with NOAA, pursuant to a contract with NOAA, the Commission finds that this application conforms to the requirements of Commission Regulation No. 70. It is further found, based on the evidence of record as described in Order No. 3248 and supplied pursuant thereto, that applicant is fit, willing, and able

*/ To the extent this application proposed transportation between points solely within Virginia, it was dismissed by Order No. 3248.

properly to provide the service describe above and to conform to the requirements of the Compact and the rules, regulations, and orders of the Commission thereunder.

Applicant has a current certificate of insurance on file with the Commission. An appropriate authorization shall be issued simultaneously with service of this order.
